

Premium Exit

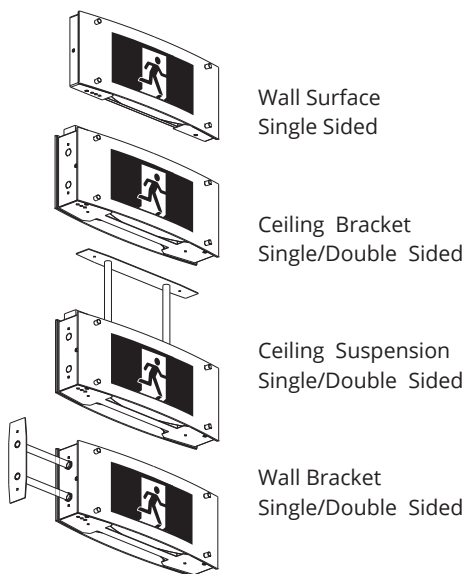

LED EXIT SERIES

Form & Function

The new Premium LED Exit series adopts a modern, clean design with a combination of curves, straight lines and a unique pure glass effect for the diffuser. The result is a cost effective exit that complements modern interiors. A design without concession, which does not forget functionality.

Highly energy efficient the Premium LED Exit series uses up to 70% less energy than a conventional fluorescent solution.

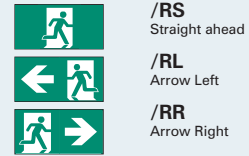

Premium Exit LED EXIT SERIES

Manufactured to Famco's highest standards our LED Exit signs are a cost effective solution to AS2293 standards. The long life LED lamps provide improved reliability resulting in reduced maintenance costs.

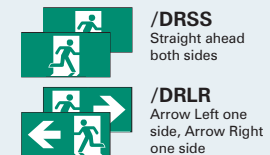

Maximum Viewing Distance 24M.

MAXIMUM PERMISSIBLE SPACING FOR EMERGENCY LUMINAIRES
